I need to update you on a situation that occurred today. **And ask for your informal approval of action.**

Today Mr. Turman received the email below and an attachment stating that we had not made payment as required today on our VPSA loan for the high school expansion. They are correct as we were never invoiced. It turns out the invoice was only sent to Joe Turman, via email, and he thought it was a scam as notices of this type never come to his attention. I would have likely thought the same.

Cindy and I both tried to research the request to mixed results. I attempted to verify the legitimacy of Becky D. Burton (the name on the email) and this payment request by calling U.S. Bank. They were not able to verify the existence of an employee, the account number listed on the invoice, or any account listed under

our tax ID. However, when Cindy reached out to the person listed in the email, they could produce documents signed by Mr. Turman and Ms. Morris, identical in wording to those in Cindy's files.

Our bond council, Jesse Bausch, has now verified that this is indeed a legitimate request for payment, and that Ms. Burton is a contact for our loan through US Bank. Jesse is included in this email. Jesse thank you for your help.

Board members, I needed to let you know this evening, as the payment is due today. **Are you ok with us making this payment electronically tomorrow?** I know we would normally have you formally approve the payment at the board meeting. And we will still ask you to take action at the next meeting. But I would be more comfortable taking this action with your knowledge and informal approval now.

We have contacted our bank, who can work directly with US Bank tomorrow morning to set up the payment. Cindy has communicated with Becky Burton at US Bank that we will make the payment tomorrow. And that all future communications should go to me, Cindy, and Angie Ellis. I will also send an email to US Bank expressing our concern about their process and the reason for the delay.

Our apologies that we have to ask for this exception to our normal process. I look forward to hearing from you. Linda

Letter of Request for Naming of Shared Drive; Tax Map #'s 055A1-1-A-8B, 055A1-1-A-8 & 055A1-1-A-8A

To Whom it May Concern,

In accordance with our records, you currently share a driveway with another property owner in which three (3) or more dwellings have been placed. For safety and first response purposes, the Floyd County Department of Emergency Management is required to name any shared drive in which contains three (3) or more dwellings. Included with this letter you will find an E911 road name request form. I ask that you and any neighboring lot owner(s) who are currently using the shared drive, converse in an attempt to agree on a name. If you and your neighbors are unable to decide on a proposed name for the shared drive within fifteen (15) business days from the date of this final notice, our department will choose a name to be presented to the Board of Supervisors for approval. Once a name for the shared drive has been determined, you will then be assigned a revised E911 address, and then notifications pertaining to the changing of 911 address(es) will be sent via USPS mail, to you, any neighbors using the shared drive, as well as the USPS Postmaster, for his or her records.
